
Competition Authority On-Site Inspection Training

Recent Competition Authority decisions have shown the importance of managing on-spot inspections the right way. ACTECON is delighted to share the teaser of the “Competition Authority's On-Site Inspections Training”, prepared in cooperation with the Compliance House. In the training, we touch upon the main points, dos and don'ts on this topic.

In cooperation with the Compliance House, we tailor-make competition law trainings specific to your company's needs. Our trainings include multiple choice questions, which make the session interactive and thus more fun! We hope you enjoy watching it!
